Beaconsfield Child & Family Centre

The Beaconsfield Child and Family Centre brings services together to support all families with the health, education, care and well-being of children, from birth to age 5. Families are able to find a range of services and information at one location, such as Playgroups, Long Day Care, Before and After School Care, Child and Family Health Nurse and visiting family support services.

The Centre can assist you with information, support and services for all members of your family. The Centre provides a range of universal services, based on the needs of children and their families, with a strong emphasis on providing outreach services in homes, schools and the community.

If you require further information, please contact Heather Green, Community Liaison on 0457 861 687 or 6383 1742, or email heather.green@education.tas.gov.au.
