

Beaconsfield Improvement Committee

The Beaconsfield Improvement Committee is interested in your ideas and suggestions on improving the Beaconsfield town streetscape. If you are interested in making the town more attractive please contact Julia Gulson on phone: 6383 1784 or email: juliag@tadaust.org.au or Mick Allen on phone: 6383 4508 or email: joyallen3@bigpond.com

Beaconsfield Child & Family Centre

The Beaconsfield Child and Family Centre will bring services together to support all families with the health, education, care and well-being of children from birth to age 5. Families will be able to find a range of services and information at one location.

The Centre will be able to assist you with information, support and services for all members of your family. The Centre will provide a range of universal services based on the needs of children and their families, with a strong emphasis on providing outreach services in homes, schools and the community.

The Centre is currently under construction alongside the Beaconsfield Primary School.

Your input into the range of services, activities, information and support that you would like to see at the Beaconsfield Child and Family Centre is important as the aim of the Centre is to support our families.

We would appreciate your time in completing the Community Consultation Survey. Please return to collection points by 30 June 2010.

If you require further information please contact Heather Green, Community Liaison on
